MAP N-NR-5 NORTH REDMOND SUPPLEMENTAL CONNECTIONS

Notes:

- Arterial and collector streets are shown in Map N-NR-4
- Connections represent a general alignment & infrastructure to support respective use along one or both sides of paved streets.
- * -- Connection types, cross-sections, and final alignment shall be considered by the City of Redmond's Technical Committee.
- ** -- Further consideration by Technical Committee of future connections is required for new development.

Effective: May 30, 2009
