The City of Redmond Technical Committee issued a Notice of Decision approving the Wang Short Plat, which allows subdivision of 0.39 acres zoned R-4 located at 7502 - 132nd Avenue NE in Redmond into two lots on August 14, 2015. Applicant Berkshire Home Builders LLC timely appealed the notice of decision on August 25th. The matter was set for hearing on October 21, 2015.

However, the parties in the above captioned appeal submitted a signed stipulation and order resolving the appeal on September 17, 2015. Signed by Jami Balint, attorney for Berkshire Home Builders, and James Haney, attorney for City of Redmond, the stipulation stated that the parties had resolved all issues on appeal and requested that the hearing be stricken.

Based on the documentation provided, the Examiner accepts and has signed the Stipulation and Order and by this order cancels the hearing scheduled for October 21, 2015.

ORDERED September 22, 2015.
