The City is authorized to condemn property and property interests for the public improvements under RCW 8.12.030.

Section 2. Need for Property - Public Use. The City Council of the City of Redmond, after hearing a report of the Public Works Department, and reviewing improvement plans, hereby declares that the public health, safety, and welfare demand that the City acquire permanent and temporary easement interests in certain real properties to relocate and construct a stream for the purposes of water quality enhancement, encouraging economic redevelopment, and enhancing public park facilities. The easement interests as described in Section 2, are hereby condemned, appropriated, taken, and damaged for the purpose of constructing the public improvements described in Section 2 above, together with all necessary appurtenances, utilities, and related work to make a complete improvement in accordance with City standards. Condemnation of the property is subject to the making or paying of just compensation to the owners and possessors thereof in the manner provided by law.

Section 4. Authority of City Attorney. The City Attorney is hereby authorized and directed to begin and prosecute the proceedings provided by law to condemn, take, and appropriate the interests necessary to carry out the provisions of this ordinance, and is further authorized in conducting said condemnation proceedings, and for the purpose of minimizing damages, to stipulate as to the use of the property hereby

authorized to be condemned and appropriated, and as to the reservation of any right of use of the owner or any person entitled to possession of the property, provided that such reservation does not interfere with the use of said property as provided in this ordinance.

Section 5. Source of Funds. The entire cost of the property acquisition authorized by this ordinance, including all costs and expenses of condemnation proceedings, shall be paid from available funds as may be appropriate under the circumstances.

Section 6. Severability.
