

Resolution No. 42

Whereas, House Bill No. 119 has been introduced in the 31st Regular Session of the Washington State Legislature and,

Whereas, said Bill provides a Revolving Fund of Twenty Million Dollars, to be loaned to qualified Cities and Towns, without interest thereon at not more than \$500,000.00 to any one municipality, for the installation of Water and /or Sewer systems, and

Whereas, it would be a great benefit to small cities and towns to receive aid from said revolving Fund for the construction of Water and/or Sewer systems,

Now, therefore, be it resolved by the Town Council of the Town of Redmond, that said bill be passed and enacted into Law, and hereby respectfully requests the Senator and Representatives of the 46th Legislative District to cast their vote in favor of House Bill No. 119.

Passed by the Town Council of Redmond, Wash. in regular session this 2nd day of February, 1949

Mayor.
