

RESOLUTION No 69

WHEREAS the TOWN OF REDMOND is in need of draining a certain area of surface water and desires to enter into an agreement for accomplishment of Engineering Services and payment therefor;

THEREFORE, BE IT RESOLVED by the TOWN COUNCIL that the TOWN OF REDMOND accept the proposal of Civil Engineer J,D, Bodman:

A Preparation of drainage study for disposing of storm waters from the school grounds and the low area in the vicinity of 3rd & Trimble Streets.

Fee of \$60.00 will be paid upon completion of said study, or upon formation of a Local Improvement District by Ordinance, if one is formed on the basis of the study, at the option of the Town Council.

All fees except \$60.00 to be paid out of funds derived from the Local Improvement District.

B Prepare necessary Documents for formation of a Local Improvement District, such documents to consist of a legal description, a plan showing boundaries of the District, a preliminary cost estimate, and such other miscellaneous data of a minor nature as may be requested for publicity, etc.

Fee of \$50.00 will be paid upon formal establishment of a Local Improvement District by Ordinance of the Town Council.

C Preparation of contract Drawings, Specifications, firm cost estimate and contract agreement.

Fee of \$450.00 will be paid, \$350.00 upon award of contract and the remaining \$100.00 upon acceptance of the completed work.

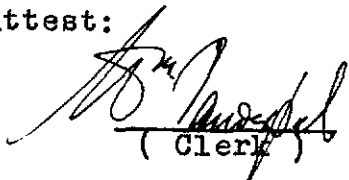

D Preparation of an assessment Roll, including property description, name of owner and amount of assessment for each piece of property in the District. Includes adjustment of assessments as may be determined at hearings.

Fee of \$250.00 will be paid upon award of contract.

Regularly passed and adopted by the Council of the

TOWN OF REDMOND, WASHINGTON, on July 28 1954.

Attest:

(Clerk)

For the Town of Redmond,

By

(Mayor)
