RESOLUTION NO. 849

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF REDMOND, WASHINGTON, READOPTING THE LOCAL HAZARDOUS WASTE MANAGEMENT PLAN FOR SEATTLE-KING COUNTY, AS AMENDED BY THE PLAN ADDENDUM; DELETING CONDITIONS PREVIOUSLY PLACED UPON THE CITY'S ADOPTION; AND REPEALING RESOLUTION NO. 838.

---

WHEREAS, Section 220 of Chapter 70.105 of the laws of the State of Washington requires that each local government or combination of local governments prepare a local hazardous waste plan which shall be based on state guidelines; and

WHEREAS, it was determined that moderate risk waste is being disposed of with solid waste, in sewers and septic systems, or on other lands, which may be improper for reasons of public health and environmental protection; and

WHEREAS, the City of Redmond and King County entered into an interlocal agreement whereby the parties agreed that they shall cooperate in the County's development of a Comprehensive Solid Waste Management Plan including moderate risk waste; and

WHEREAS, King County, in cooperation with the City of Seattle, Metro, and the Seattle/King County Department of Public Health, has completed a local Hazardous Waste Management Plan for Seattle-King County including suburban cities who signed the interlocal agreement referenced above, that is designed to meet state guidelines and to significantly reduce and divert hazardous waste from the solid and liquid waste stream, and issued on August 28, 1989 a final plan and environmental impact statement; and

WHEREAS, the City, through the Suburban Cities Association, participated in the Solid Waste Interlocal Forum, which through Resolution No. 90-001 recommended adoption of the plan, as amended in the Plan Addendum, by King County and the cities within the County; and

WHEREAS, by Resolution No. 838, passed by the City Council on May 29, 1990, the City Council adopted the local hazardous waste plan for Seattle-King County, as amended by the Plan Addendum, provided that further amendments were made to the Plan, and subsequent to such adoption the City's concerns have been resolved through an agreement between the Suburban Cities Association and the Solid Waste Interlocal Forum on new language and composition of the Management Coordination Committee, and it is therefore appropriate that the Plan, as amended, be unconditionally readopted, now, therefore,
