

RESOLUTION NO. 934

Interfund Loan for
LID 92-WS-56

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF REDMOND, WASHINGTON PROVIDING FOR AN INTERFUND LOAN FOR EXPENDITURES FOR LID NO. 92-WS-56 PENDING RECEIPT OF ANY LOCAL IMPROVEMENT DISTRICT BONDS OR OTHER OBLIGATIONS AUTHORIZED TO BE ISSUED BY SUCH LOCAL IMPROVEMENT DISTRICT, AND DECLARING THE CITY'S INTENT THAT CAPITAL EXPENDITURES TO BE MADE IN CONNECTION WITH THE LID SHALL BE MADE PRIOR TO ISSUANCE OF THE LID BONDS AND REIMBURSED FROM THE PROCEEDS THEREOF,

WHEREAS, Ordinance 1719, passed by Council January 19, 1993, authorized the formation of LID 92-WS-56, and

WHEREAS, the City of Redmond has undertaken a project commonly known as the Avondale Road Water/Sewer Extension (the "Project"), and to finance the Project through the local improvement district known as "LID No. 92-WS-56" and through the issuance of local improvement district bonds or other obligations authorized to be issued by such local improvement district, and

WHEREAS, the City Council deems it to be in the best interest of the City, that the City authorize an interim loan in the amount of five hundred thousand dollars (\$500,000) from the Water/Wastewater General Construction Fund of the Waterworks Utility of the City to the LID 92-WS-56 Fund (the "LID Fund") for a period of one year commencing May 1, 1993, at an annual interest rate of 3.27% in order to provide funds with which to pay a part of the costs of carrying out the activities necessary or useful to the formation of the proposed local improvement

district and carrying out improvements included in the Project, and

WHEREAS, based upon information provided by the Finance Department, the City Council finds that the loan will not interfere with the required current and anticipated expenditures from the Water/Wastewater General Construction Fund, that the interest rate will result in earnings equal to that of other available investments and that the interfund loan will reduce the costs to the LID fund as compared to an outside borrowing, now, therefore,

THE CITY COUNCIL OF THE CITY OF REDMOND, WASHINGTON, HEREBY RESOLVES AS FOLLOWS;

Section 1. An interfund loan in the amount of \$500,000 from the Water/Wastewater General Construction Fund to the LID Fund commencing May 1, 1993, to be repaid in full on or before the expiration of May 1, 1994, at an annual interest rate of 3.27%, is hereby authorized.

Section 2. The Finance Director is instructed to make the necessary transfer of funds and to maintain appropriate accounting records required to reflect the balance of the loan payable and receivable in the affected funds.

Section 3. Official Intent.

A. Expenditures which have been and which will be necessary and advisable with respect to the Avondale Road Water/Sewer Extension LID prior to the issuance of the LID Bonds are hereby authorized to be made from the proceeds of the interfund loan approved by this Resolution, and the City hereby

declares its intent (the "Official Intent"), pursuant to Treasury Regulation §1.103-18, that any such capital expenditures have been and are made in anticipation of the issuance of the LID Bonds, as applicable. The maximum principal amount of debt expected to be issued for reimbursement pursuant to this Resolution is \$500,000.

B. Any and all prior expenditures with respect to the LID Project to be reimbursed with the proceeds of the Bonds shall be incurred solely to acquire, construct, or rehabilitate property of the City having a reasonably expected economic life of at least one year.

C. Pursuant to its budget, the City finds that it does not now have, nor does it reasonably expect to have, prior to the issuance of the LID Bonds, funds from sources other than the Bonds which are or are reasonably expected to be allocated on a long-term basis, reserved or otherwise available for the LID project, and the City has therefore approved the interfund loan in this Resolution for that purpose.

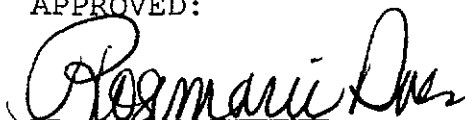

D. The City expects to pay the principal of, premium if any, and interest on the LID Bonds from the LID fund to be established in connection with the formation of and collection of assessments related to the LID.

E. This resolution, and other books, records, and proceedings of the City relevant to the City's declaration of Official Intent shall be made available by the City for inspection by the general public at the administrative offices of the City each business day during normal business hours

commencing within ten days of the date hereof and until the date of the issue of the LID Bonds.
