

ORDINANCE NO. 389

AN ORDINANCE, declaring an emergency in the Street Department Fund under the general class Capital Outlay and providing for an expenditure in excess of the estimated expenditures in said fund and class; and providing for the issuance of emergency warrants.

WHEREAS, an adequate and suitable street sweeper is essential to the proper maintenance and operation of the public streets of the City to facilitate drainage, remove debris and promote the safety of traffic; and the existing street sweeper is in need of repair and is not adequate for present and future needs; and

WHEREAS, the City Council finds that an emergency therefore exists in the ability of the City to provide adequate maintenance and operation of its public streets and that such condition can be alleviated by the expenditure of funds in the estimated amount of \$12,000.00 for the purchase of a street sweeper, NOW, THEREFORE

THE CITY COUNCIL OF THE CITY OF REDMOND DO ORDAIN AS FOLLOWS:

Section 1. That an emergency is hereby declared to exist which could not reasonably have been foreseen at the time the budget estimates were made, requiring an expenditure of \$12,000.00 in funds not provided for in said budget, and the expenditure of said sum is hereby authorized out of the Street Department Fund under the general class Capital Outlay in order to provide for said emergency.

Section 2. The emergency expenditure hereby authorized shall be paid by the issuance of emergency warrants to be paid from any moneys on hand in the City Treasury in the Street Department Fund not otherwise appropriated, or if there be insufficient money on hand in such fund, such warrants shall be registered and shall bear interest at the rate of 4 1/2 % per annum until called for and paid.

Section 3. The publication of a copy of this ordinance in accordance with RCW 35.33.090 prior to its adoption shall constitute publication of the ordinance under the requirements of RCW 35.24.220, provided no changes have been made in the proposed ordinance upon its adoption.
