Late-comer Connection Charge
Bellevue-Redmond Road
Water System Improvement

CITY OF REDMOND, WASHINGTON

ORDINANCE NO. 751

AN ORDINANCE, relating to water service and providing for the collection of a connection charge in lieu of assessment from property owners served by improvements made to the City water system along a portion of the Bellevue-Redmond Road who have not been previously assessed or charged for such improvements.

WHEREAS, the City recently made certain water system improvements along a portion of the Bellevue-Redmond Road between N. E. 40th Street and West Lake Sammamish Parkway N.E., within the City of Redmond, King County, Washington, at a total cost of \$7,739.65, without the levy assessments against properties specially benefited thereby; and

WHEREAS, pursuant to RCW 35.92.025 the City Council has determined that reasonable connection charges should be made as a condition to the right to connect to the water system by these property owners in order that such property owners shall bear their equitable share of a portion of the cost of such improvements; and

WHEREAS, the City Council has determined and fixed the amount of the connection charges to be paid as a condition to the right to connect these properties to the water system served by such improvements; NOW, THEREFORE,

THE CITY COUNCIL OF THE CITY OF REDMOND DO ORDAIN AS FOLLOWS:

Section 1. Description of improvements. The water system improvements referred to in this ordinance and those to which this ordinance shall pertain consist of the installation of 343 feet of 6-inch water main laterals (stub outs) and appurtenances from an existing water main to the street right-of-way line under City of Redmond Project Nos. 72-ST-09 and 72-W-09, according to the plans and specifications and records of the Department of Public Works.

Section 2. Description of service area. The Director of Public Works, in administering this Ordinance, shall make the necessary determinations and computations to equitably apportion the

connection charges where a stub out is to serve a subdivision of the above described parcels or adjoining parcels or in cases where such determinations are necessary or appropriate.

Section 4. Collection of connection charges. The connection charges herein determined shall be payable at the time application for a sanitary sewer service connection is made. Connection charges collected shall be considered revenue of the waterworks utility.

Section 5. Additional to other charges. The connection charges herein determined shall be in addition to the cost of such connection or charges imposed under other ordinances of the City.

Section 6. Effective date. This ordinance shall take effect and be in force five (5) days after the date of its publication in the manner provided by law.

PASSED by the Council of the City of Redmond, Washington,
at a regular meeting thereof, and APPROVED by the Mayor
this 15th day of March, 1977.
