

**CITY OF REDMOND  
RESOLUTION NO. 1417**

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF REDMOND, WASHINGTON, AMENDING RESOLUTION NO. 1411 IN ORDER TO APPROVE AN AMENDED PETITION FROM MICROSOFT CORPORATION TO EXPAND THE PURPOSE OF REDMOND COMMUNITY FACILITIES DISTRICT (CFD) NO. 2014-01; AUTHORIZING THE CFD TO FINANCE, IN ADDITION TO THE IMPROVEMENTS REFERENCED IN RESOLUTION NO. 1411, THE CONSTRUCTION OF SHELL AND CORE REQUIREMENTS FOR A TRANSIT OFFICE/PUBLIC WAITING AREA IN THE PARKING GARAGE AT OVERLAKE TRANSIT CENTER AND THE CONSTRUCTION OF ADDITIONAL PAVING FOR BUSES AND VANS TO WAIT AND TO DROP OFF AND PICK UP PASSENGERS MOVING BETWEEN THE LIGHT RAIL SYSTEM AND THE BUS SYSTEM; MAKING FINDINGS IN SUPPORT OF THE AMENDMENT; AND INCORPORATING TERMS AND CONDITIONS SET FORTH IN THE AMENDED PETITION

---

WHEREAS, Resolution No. 1411 of the City of Redmond, passed by the City Council on July 15, 2014, formed Redmond CFD No. 2014-01 for the purpose of financing the construction of a pedestrian-bicycle bridge over SR 520 at the Overlake Transit Station and the construction of canopy coverage for waiting areas at the Overlake Transit Station; and

WHEREAS, pursuant to RCW 36.145.020, the CFD was formed based upon the petition of Microsoft Corporation, the owner of one hundred percent (100%) of the land to be included within the district; and

WHEREAS, RCW 36.145.020(3) provides that petitions for the formation of a CFD may be amended when the amended petition is signed by the owners of one hundred percent (100% of the land in the district); and

WHEREAS, on October 23, 2014, the Redmond Finance Director received an amended petition from Microsoft Corporation for Redmond CFD No. 2014-1 requesting that the purpose of the CFD be expanded to add financing of the construction shell and core requirements for a transit office/public waiting area in the parking garage at the Overlake Transit Station and the construction of additional paving for buses and vans in the transit loop at the Overlake Transit Station to those bridge and canopy coverage improvements already authorized for the CFD; and

WHEREAS, the Redmond City Council held a public hearing on the proposed amendments to Redmond CFD No. 2014-01 on November 18, 2014, and, after considering all public testimony received, determined to approve the amended petition and authorize amendment of the purpose of the CFD as provided herein.

NOW, THEREFORE, THE CITY COUNCIL OF THE CITY OF REDMOND, WASHINGTON, HEREBY RESOLVES AS FOLLOWS:

Section 1.      Findings.      Pursuant to RCW 36.145.020 and .060, the Redmond City Council makes the following findings:

A. The amended petition received by the City on October 23, 2014, was signed by one hundred percent (100%) of the owners of land within Redmond CFD No. 2014-01. Microsoft Corporation owns all of the land within the boundaries of the CFD and is the sole signatory on the petition.

B. The City Council previously found, in Resolution No. 1411, that the land owned by Microsoft with the boundaries of the CFD will be specially benefited by the pedestrian-bicycle bridge and canopy coverage described in that resolution. The land owned by Microsoft within the boundaries of the CFD will also be benefited by construction of the transit office/public waiting area and the additional paving for the transit loop for the following reasons:

1. The transit office/public waiting area will provide a comfortable place for transit riders whose work is located on the property with Redmond CFD 2014-01 to wait and find additional services if there is a long wait for their train or bus.

2. The additional paving provides increased bus system capacity and more efficient bus system operations in the transit loop for bus system riders whose work is located on property within Redmond CFD 2014-01 and facilitates better transit connection between the light rail system and the bus system.

C. Expanding the purpose of the CFD to include financing the shell and core requirements for the transit office/public waiting area and the additional paving for the transit loop will be in the best interest of the City of Redmond for the following reasons:

1. The transit office/public waiting area will encourage transit usage, thereby reducing congestion, and will provide a comfortable place for all transit riders who live, work, and commute in Redmond if there is a long wait for a train or bus, not just for those whose work is located on the property included in the CFD.

2. The additional paving provides increased bus system capacity and more efficient bus system operations in the transit loop, resulting in improved access for all bus system riders at the Overlake Transit Center, not just for those whose work is located on the property included in the CFD. The additional paving facilities will also facilitate better transit connection between the light rail system and the bus system for all transit riders.

D. Expanding the purpose of Redmond CFD No. 2014-01 is also consistent with the requirements of the Washington Growth Management Act ("the GMA"), RCW 36.70A, for the following reasons:

1. Construction of the shell and core for the transit office/public waiting area and construction of the additional paving for the transit loop fulfills the vision for the Overlake Urban Center set forth in the Urban Center and Overlake Neighborhood Policies in the Redmond Comprehensive Plan. Specifically, construction of the transit office/public

waiting area and the additional pavement for the transit loop is consistent with:

a. Policy UC-28, which states that transit stations, shelters, and other amenities should be constructed in order to conveniently serve the City's urban centers and enable the City's vision for those centers to be fulfilled. By providing a comfortable transit office/public waiting area within the Overlake Transit Center and by facilitating better transit connection between the light rail system and the bus system, the shell and core requirements for the transit office/public waiting area and the additional paving for the transit loop will allow for more convenient transit service; and

b. Policy OV-32, calling for the location of a light rail station at the existing Overlake Transit Center at NE 40th Street. By providing a comfortable transit office/public waiting area within the Overlake Transit Center and by facilitating better transit connection between the light rail system and the bus system, requirements for the transit office/public waiting area and the additional paving for the transit loop will enhance use of the Overlake Transit Center.

2. Construction of the shell and core requirements for the transit office/public waiting area and the additional paving for the transit loop also fulfills the GMA's transportation goal set forth in RCW 36.70A.020(3), which

provides for the encouragement of efficient multimodal transportation systems that are based on regional priorities and coordinated with the City's comprehensive plan. Light rail and bus transit are regional priorities that will be made more efficient and convenient for Redmond users through the construction of the improvements.

Section 2. Approval of Amended Petition - Amendment of Resolution No. 1411 as to the Purpose of the CFD. The amended petition submitted by Microsoft Corporation seeking an expansion of the purpose of the CFD to include construction of the shell and core requirements for the transit office/public waiting area and the additional paving for the transit loop is hereby approved. The purpose of Redmond CFD No. 2014-01, formed by Section 1 of Resolution No. 1411 of the City of Redmond, is hereby amended to be as follows:

To finance the construction of (1) a pedestrian-bicycle bridge over SR 520 at the Overlake Transit Station; (2) canopy coverage for waiting areas at the Overlake Transit Station; (3) shell and core requirements for a transit office/public waiting area in the parking garage at the Overlake Transit Station; and (4) additional paving for buses and vans to wait and to drop off and pick up passengers moving between

the light rail system and the bus system at the Overlake Transit Center.

The property in Redmond CFD No. 2014-01 remains as legally described in Resolution No. 1411 and as set forth on Attachment 1 to that Resolution. The boundaries of Redmond CFD No. 2014-01 remain as set forth in Resolution No. 1411 and as depicted on Attachment 5 to that Resolution.

Section 3. Costs to be Assessed. The total cost of the improvements to be paid for by Redmond CFD No. 2014-01 continues to be estimated at \$33,300,000.00. When submitting the original petition for Redmond CFD 2014-01, Microsoft had intended to include the shell and core requirements for the transit office/public waiting area and the additional paving for the transit loop and therefore included the cost of those items in the estimated assessments set forth in the petition. Sound Transit has agreed to pay any cost of the improvements in excess of this amount. All costs properly chargeable to Redmond CFD No. 2014-1 shall be assessed against the property legally described on Attachment 1.

Section 4. Board of Supervisors. The Board of Supervisors for Redmond CFD No. 2014-01 shall remain as provided for in Section 4 of Resolution No. 1411.

Section 5. Procedures and Requirements for Special Assessments. As provided in Resolution No. 1411, the Board of

Supervisors shall impose the necessary assessments on the property in Redmond CFD 2014-1 according to the procedures and requirements of RCW 36.145.110. The special assessments shall continue to be collected by the district treasurer, who shall remain the Finance Director of the City of Redmond as appointed by the Board of Supervisors as provided in RCW 36.145.140. All special assessments shall be a lien upon the property within the boundaries of Redmond CFD 2014-1 and enforced as provided in Chapters 36.145 and 35.44 RCW.

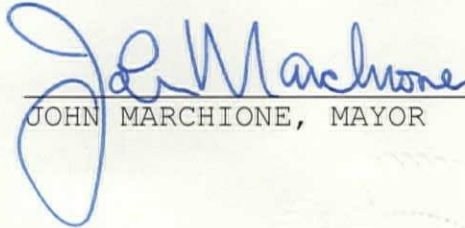

Section 6. Terms of Petition and Amended Petition Incorporated by Reference. The terms and conditions of the original petition for Redmond CFD No. 2014-1 and the First Amended Petition for Redmond CFD No. 2014-01 are hereby incorporated by this reference as if set forth in full.

Section 7. Effective Date. This resolution shall become effective immediately upon passage by the Redmond City Council.

ADOPTED by the Redmond City Council this 18<sup>th</sup> day of  
November, 2014.

Re: Overlake Transit Center – Pedestrian/Bicycle Bridge

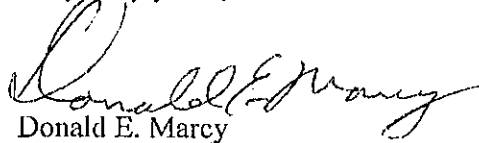

Dear Mr. Bailey:

Enclosed, on behalf of our client Microsoft Corporation, is a fully executed Petition to form a community facilities district in Redmond, pursuant to RCW 36.145, to finance the construction of a pedestrian/bicycle bridge over SR 520 at the Overlake Transit Center.

In accordance with RCW 36.145.020, the petition is to be transmitted by you to the King County Auditor. For your convenience, we have enclosed a draft of a transmittal letter to the Auditor to accompany the petition.

We request that the enclosed petition be transmitted to the King County Auditor at your earliest convenience. If you have any questions regarding the petition, please contact the undersigned or Jim Stanton (425-707-2076) ([jstanton@microsoft.com](mailto:jstanton@microsoft.com)).

Very truly yours,

  
Donald E. Marcy

Re: Overlake Transit Center – Pedestrian/Bicycle Bridge

Dear Ms. Waltmunson:

Enclosed, in accordance with RCW 36.145.020, is a petition filed by Microsoft Corporation to form a community facilities district in Redmond, Washington to finance construction of a pedestrian/bicycle bridge over SR 520 at the Overlake Transit Center.

We ask that you review the petition, as required by RCW 36.145.020, determine whether the petition contains the required signatures, and thereafter either transmit the petition with a certificate of sufficiency to the City of Redmond or return the petition with a list of property owners who must sign the petition to Microsoft Corporation. RCW 36.45.020 provides you with thirty (30) days to make the required finding and an additional ten (10) days thereafter to transmit the petition to the City or Microsoft Corporation, depending on your finding.

If you have any questions, please call.

Sincerely,

**DRAFT**

Jim Stanton, Microsoft Corporation

**REDMOND CFD No. 2014-1**  
**Community Facilities District (“CFD”) Petition Pursuant to Chapter 36.145 RCW**

Microsoft Corporation (“Petitioner”) respectfully submits this Community Facilities District Petition (the “Petition”) to the City of Redmond pursuant to Chapter 36.145 RCW. This Petition requests the formation of Redmond CFD No. 2014-1 (the “District” or “CFD No. 2014-1”), which shall include the Redmond CFD No. 2014-1 Property, as defined below, that is both located within the Redmond Urban Growth Area (“UGA”) and within the city limits of Redmond as required by RCW 36.145.020. The requirements for a community facilities district petition are set forth in RCW 36.145.020(1). Each of these requirements is addressed subsection-by-subsection below.

RCW 36.145.020(1)(b): See the township, range, and legal subdivision description of the boundaries of the District attached to this Petition as Attachment 1 (the “Redmond CFD No. 2014-1 Property”).

RCW 36.145.020(1)(b): The undersigned property owner hereby requests that the Redmond CFD No. 2014-1 Property be subject to assessments up to the amount outlined in RCW 36.145.020(1)(i)(iv) as authorized by Chapter 36.145 RCW.

RCW 36.145.020(1)(c): See the certification attached to this Petition as Attachment 2.

RCW 36.145.020(1)(d): The District’s objective is to finance portions of two specific improvements that provide special benefits to the Redmond CFD No. 2014-1 Property through the application of assessments. The net amount to be assessed on each parcel within the District is proportional to the special benefit conferred on such parcel by the two improvements. The District anticipates financing the following two specific facilities (the “Improvements”):

- Pedestrian/Bicycle Bridge connecting the east side of 156<sup>th</sup> Avenue NE to Overlake Transit Center and to the west side of SR 520.
- Canopy Coverage for Waiting Areas at Overlake Transit Center.

RCW 36.145.020(1)(e): The undersigned property owner declares that CFD No. 2014-1 will be conducive to public health, safety, and welfare for the following reasons. The proposed District will finance the Improvements which will improve the public health, safety, and welfare by improving pedestrian and bicycle circulation and thereby improving pedestrian and bicycle safety. The Improvements also enhance the public transit experience which should reduce reliance on private automobiles for commuting. The Improvements are in the best interest of the City for these reasons. The Improvements have benefits for the City, its residents and those who visit or work in the City. The proposed District, through the application of assessments, provides a secure financing source for the Improvements which provide public health, safety, and welfare benefits to the Redmond CFD No. 2014-1 Property and the citizens of Redmond.

RCW 36.145.020(1)(f): The purpose of forming the District is to finance the Improvements. The Improvements will provide special benefit to the Redmond CFD No. 2014-1 Property and will.

increase the fair market value of the Redmond CFD No. 2014-1 Property on account of their proximity to the Redmond CFD No. 2014-1 Property. The Improvements provide special benefits to the Redmond CFD No. 2014-1 Property as summarized below:

- The Pedestrian/Bicycle Bridge allows safe, expedient, and sheltered travel across SR-520 for pedestrians and cyclists whose work is located on the Redmond CFD No. 2014-1 Property. The bridge connects transit stops and a regional pedestrian/bicycle trail on the west side of SR-520 with the Overlake Transit Station and the public sidewalk on 156<sup>th</sup> Avenue NE. This will avoid the need for pedestrians and cyclists to cross SR-520 via the NE 40<sup>th</sup> Street overpass thereby eliminating significant potential for pedestrian and bicycle encounters with automobiles and buses.
- The canopy coverage for the waiting areas will provide a drier and more comfortable area for transit riders whose work is located on the Redmond CFD No. 2014-1 Property while waiting for the light rail trains and buses that serve the Overlake Transit Station.

RCW 36.145.020(1)(g): See the “obligation” attached to this Petition as Attachment 3.

RCW 36.145.020(1)(h): Petitioner nominates the following two individuals as eligible supervisors for the District: (1) Jim Stanton, as a representative of the Petitioner; and (2) Donald Marcy, as a qualified professional. Both Mr. Stanton and Mr. Marcy are willing and able to serve on the District’s Board of Supervisors. Curriculum vitae for Mr. Stanton and Mr. Marcy, as well as documentation of their consent to serve, are attached hereto as Attachment 4.

RCW 36.145.020(1)(i): Subsections (i)-(v) of this section are each addressed separately below.

(i) See the diagram showing each separate lot, tract, parcel of land, or other property in the District attached hereto as Attachment 5.

(ii) The acreage of the Redmond CFD No. 2014-1 Property is 3.60 acres.

(iii) The name and address of the owner of each lot, parcel as shown on the tax roll of the King County Assessor:

<b>Lot/Parcel</b>	<b>Property Owner</b>	<b>Property Owner Address</b>
550350-0050	Microsoft Corporation	Microsoft Real Estate & Facilities One Microsoft Way Redmond, WA 98052

(iv) See Preliminary Assessment Roll on the following page:

Community Facility District (CFD) No. 2014-1 Preliminary Assessment Roll		
Parcel		Total \$ per Parcel
Number	Acreage	
1	3.60	\$33,300,000
<b>Total:</b>	3.60	\$33,300,000

(v) Because there is only one parcel of property and one property owner in the proposed district, the method of allocating the special benefit and assessments among the properties is not relevant to this petition as one hundred percent of the assessments will be assigned to the single parcel.

RCW 36.145.020(1)(j): The security to ensure the timely payment of assessments and the timely payment of bonds issued by the District will be the Redmond CFD No. 2014-1 Property.

*[see signature of property owner on the following page]*

Transit-Oriented Development

---

Donald is one of the leading lawyers in land use and real estate development matters in Seattle. For over 30 years, he has guided many of the region's significant mixed-use, office, business park, retail, and multi-family projects to successful conclusion through creative application of the law. He has assisted real estate developers and owners of property in developing commercial and residential projects in the Pacific Northwest and other regions of the county. He has represented clients in all aspects of real estate development; buying property; negotiating ground leases; obtaining land use entitlements; negotiating design, construction, and financing documents; negotiating leases; and selling fully developed properties. The skills he has developed through this legal work are varied and include structuring real estate deals, drafting and negotiating agreements and contracts, obtaining land use entitlements for real property, negotiating with government agencies, analyzing regulatory programs and requirements, and making public presentations.

As Chairman of the Government Affairs Committee of NAIOP, the commercial real estate organization, Donald is active in the crafting of legislation that affects the commercial real estate industry.

MICROSOFT CORPORATION

Assistant Secretary's Certificate

I, Benjamin Orndorff, do hereby certify that I am an Assistant Secretary of Microsoft Corporation, a corporation formed under the law of the state of Washington (the "Corporation"); that I am authorized to execute this certificate on behalf of the Corporation; and acting in such capacity I do further certify that:

- 1. Attached hereto as Exhibit A is a true, correct, and complete copy of a resolution duly adopted by the Board of Directors of the Corporation at a meeting duly called and held on 21 June 2006; at such meeting a quorum was present and acting throughout; and such resolution has not been amended or revoke and is in full force and effect on the date hereof.
2. Attached hereto as Exhibit B is a true and correct and complete copy of a Certificate of Designation executed by the Treasurer and an Assistant Treasurer of the Corporation on 8 April 2013; each such officer held such office on the date of such Certificate of Designation, and such Certificate of Designation has not been amended and revoked and is in full force and effect on the date hereof.

IN WITNESS WHEREOF, I have executed this Certificate this 16th day of April, 2013.

Benjamin Orndorff
Assistant Secretary

STATE OF WASHINGTON )
) ss:
COUNTY OF KING )

I certify that I know or have satisfactory evidence that Benjamin Orndorff is the person who appeared before me, and said person acknowledged that he signed this instrument, on oath stated that he was authorized to execute the instrument and acknowledged it as an Assistant Secretary of Microsoft Corporation to be the free and voluntary act of such party for the uses and purposes mentioned in the instrument.

Dated this 16th day of April, 2013.

Louie S. Lin - Notary Public
In and for the State of Washington, USA.
Residing at Mercer Island, Washington, USA.
My Appointment expires: July 19, 2015

Exhibit A

**RESOLUTION REGARDING REAL ESTATE AUTHORIZATION**

RESOLVED, that in managing the real estate, facilities and construction activities of Microsoft Corporation (the "Company"), the individuals designated by any two of the Chief Financial Officer, Corporate Controller, or the Treasurer; or any one of the foregoing with an Assistant Treasurer, now be and hereby are authorized to sign on behalf of the Company any and all agreements and other documents relating to the following:

Real estate leasing, subleasing; lease assignments and all other lease-related documents (such as estoppel certificates and subordination, non-disturbance and attornment agreements); disposition and acquisition of real estate and interests therein; engineering, design, construction, improvements and other services; operation, maintenance and management; fixtures, furniture, equipment and supplies; and all other agreements and documents relating to the above.

Exhibit B

CERTIFICATE OF DESIGNATION

Real Estate Authorization

This CERTIFICATE OF DESIGNATION is made pursuant to and in accordance with that certain resolution of the Board of Directors of Microsoft Corporation (the "Company"), adopted on 21 June 2006, under which the undersigned are authorized to designate persons empowered to sign any and all documents as relates to real estate transactions on behalf of the Company and its subsidiary companies.

The following persons are so designated, in compliance with the objectives in the resolution:

Chris Owens, General Manager, Real Estate & Facilities

Jay Pittenger, Senior Regional Director, Americas

Steve Allen, Director, Venture Integration & Business Group Relationship Manager

Susan Wagner, Senior Director, Puget Sound Real Estate

Mike Webber, Director of Global Services, Real Estate & Facilities

IN WITNESS WHEREOF, the undersigned have caused this Certificate of Designation to be executed as of 8<sup>th</sup> day of April 2013.

  
George Zinn  
Corporate Vice President  
Treasurer

  
Albert Damon  
Assistant Treasurer
